

# Содержание

## Запись на события

как добавлять новые даты...

```
insert into lksuser.ev_event_dates(id_ev_events,id_ev_event_fields,lkp_date) select 149,210,dt from (
select dt,to_char(dt,'d') dtweek from ( select trunc(sysdate)+level dt from dual connect by level < 100
) t ) t where dtweek in (1,2,3,5) and dt not in
('23.02.2023','24.02.2023','08.03.2023','01.05.2023','02.05.2023','09.05.2023')
```
